Ruffles 'n Beaus is actively seeking new board members. If you like our club and would like to keep it running, we hope you will consider taking a board position. We are currently seeking Vice President's position.

President's Corner:

We would like to thank all those members you showed up early, and stayed to help take down, and brought goodies to our Black Light Fright Halloween Dance on 10/25/09. This was a great success and enjoyed by those who attended. As far as we know, Ruffles 'n Beaus is the only club in the country that hosts a black light dance. We hope to continue this event in the future.

We are looking forward to Fiesta and hope to see you all there. This is a great event and a chance to dance with people from other associations and out of state callers.

Ruffles has decoration duty in November. Please come help if you are able, it is greatly appreciated.

See you in a square soon!
Del & Abbie Birmingham
